THE NEW ERICSSON LINE STEAMER LORD BALTIMORE

Mr. Clarence Shriver, agent of the Ericsson Line, announced yesterday that the trial trip of the Lord Baltimore, the new steamer to be put into the company's service between Baltimore and Philadelphia, will take place next Thursday from Philadelphia to Baltimore.

The Lord Baltimore, which will be a sister ship to the Penn, the latest and the fastest addition to the fleet of the Ericsson Line, was completed a few days ago at the yard of the Harlan & Hollingsworth Company. The new vessel, it is believed, will prove even swifter than the Penn, which is now claimed to be the fastest vessel of her class running south of New York.
